

GREAT NEWS for families of young children in Oak Park & River Forest!

A **NEW** Parenting Resource Program at Parenthesis Family Center is being offered, at no cost to residents, to create a continuum of services for all families in Oak Park and River Forest with children prenatal through 3 years of age. **Some of the valuable offerings will be:**

- *Information on child development and resources in the community*
- *Home based education*
- *Parenting coaching & discussion groups*
- *Workshops*
- *Drop in program(minimal fee) & facilitated play groups*
- *Developmental screenings*

All of us can use help with parenting from time to time! This program is meant to enrich and support the broadest range of families in the community providing all parents with information about child development, connection with other parents and supporting their children with success in life and school.

For more information about the program check out www.parenthesis-info.org or contact Gail Shelton at 848-2227 or gshelton@parenthesis-info.org

These new opportunities at Parenthesis are available through the partnership between Parenthesis and the Collaboration for Early Childhood and the Village of Oak Park, Oak Park Elementary School District 97 and Oak Park River Forest High School District 200.
